

WORD HUNT

Find words that follow your word study pattern for this week. Look around your house, in books you read, or talk to somebody. Write 2 of your sorting categories at the top and add the words that match them below (no oddball). Try to find 3 or 4 words for each pattern. If you get stuck, ask for clues from an adult. Good luck!

Category 1

Category 2

I found or thought of these words:

Name _____ Date _____
